ABOUT ME

I reside in Dist-Jalna-431205, Maharashtra. During my early education, I attended Trimurti Public School in Shevgaon, Dist-Ahmednagar, which followed a military pattern. From 1st to 4th standard, I studied there and gained a solid foundation. Later, I moved to Vidya Vikas Madhyamik Vidyalaya in Latur, Maharashtra, where I continued my education from 5th to 10th standard. After completing my secondary education, I enrolled in SBES College, located in Sambhajinagar (Aurangabad), Maharashtra. Following my high school education, I decided to pursue a Bachelor of Commerce degree from YCMOU University, Maharashtra. Currently, I am enrolled in a Full Stack Web Developer course at Masai School since December 2022, with my studies still ongoing.
